

## Natural Gas Generator Set Rebuild Project

7 Caterpillar G3520 Natural Gas Genenerator Sets  
 Location: International

### SUMMARY

Seeing the demand of natural gas units in the industry, IMP partnered with a domestic partner to rebuild seven Caterpillar G3520 for various applications.

### CHALLENGE

Seven G3520 units were acquired from various suppliers and were shipped off to be rebuilt for the oil & gas and power generation industries.

### SOLUTION

Four of the units were rebuilt for use in the oil & gas industry and the other three were rebuilt for use in industrial operations.
